

## **WHAT IS ONBIKES?**

onbikes is a Tampa based 501(c)(3) non-profit organization that was formed in 2011 when a group of friends organized a community bike ride during the winter holiday season to raise funds so at-risk kids could receive their very first bike. It was an incredible success, and it was then that onbikes was born. At onbikes we are simply doing our part in restoring the self-confidence, health, and overall well-being of at-risk kids in our community.
