# HEALTH & SAFETY

The health and safety of our guests is our top priority. We are implementing many measures which are each designed to protect our guests and volunteers from potential exposure to COVID-19. By minimizing contact points, promoting social distancing, and increasing cleaning and sanitation protocols, we can welcome guests to BIKESTOCK safely.

All guests are expected to abide by the posted rules and procedures. Guests are required to maintain proper social distancing, follow instructions and information from onbikes volunteers and respect the health and safety of others.

## WHAT TO KNOW BEFORE YOU GO

### **BRING A MASK**

Masks are not required outdoors where social distancing can be maintained. Following CDC guidelines, we strongly recommend all guests wear a mask when they may be closer than 6 feet from another guest and therefore not able to maintain social distance.

### **WASH YOUR HANDS**

Throughout BIKESTOCK, there will be plenty of hand sanitizing stations.

### **SOCIAL DISTANCE**

Maintain a safe social distance from other guests and volunteers.
